

# Hospital Care Cancer Health Resources Programs & Services

## Hartford Hospital

### **Bereavement Support**

Support for those dealing with the loss of a loved one. To register call 545-2290

### **Brain Tumor Support**

A group for brain tumor patients and those who support them. To register call Hillary Keller at 545-2318.

### **The Cancer Wellness Support Series: Acupuncture/Acupressure**

Learn about this technique to restore and maintain health through the stimulation of specific points on the body. Open to all Hartford Hospital Cancer Program patients and their caregivers. To register call Hillary Keller at 545-2318.

### **The Lebed Method: Focus on Healing**

A gentle medically based exercise program with emphasis on movement to music designed especially for female cancer patients/survivors. Call Sherri Storms at 545-3781.

### **Look Good Feel Better**

For women during cancer treatment, in partnership with the ACS. Cosmetology professionals help you with makeup, skin and nail care, wigs, scarves and hats. To register call 545-4184.

### **New Beginnings**

A six-week program for women after completion of their cancer treatment. Assists women in re-establishing healthy activities and nutritional habits. To register call Ann Zogbaum at 545-5113.

### **Ovarian Cancer Support**

Support for women with ovarian cancer. To register call Marcia Bergman at 545-4463.

### **Prostate Cancer Support**

A group for men with prostate cancer and their families. For information, call 545-3790. Registration is not required.

### **Advanced Prostate Cancer Support**

For men with advanced prostate cancer and their families. To register call Carole Fox at 524-2715.

### **Young Women's Cancer Support Network**

New support group for women 50 years of age and younger that have been diagnosed with any type of cancer. The group will provide information, resources, guest speakers and an opportunity to share your questions and concerns about your disease. For registration or more information, call Charmain Ali at 545-2954.

#### **Latina Cancer Support Group**

This support group, named DIVAS, is the only Spanish-language support group in Connecticut. Developed in response to requests from patients and providers, DIVAS is a hybrid that combines group and individual support to meet the varied needs of impoverished Latinas with multiple health and psychosocial concerns. The program offers emotional support; stress management training; and relevant updated information on cancer treatment.
